

REMARKS

Applicant expressly acknowledges the indication by the examiner that claims 1-7, 10 and 18-21 are allowed.

Claim 9 was objected to for failing to further limit the previous claim. Claim 8 has been canceled and claim 9 is amended to be in proper dependent form. Withdrawal of the objection to claim 9 is respectfully requested.

Claims 11-17 have been rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicant regards as the invention.

Claim 11 has been amended to positively recite the method steps for projecting images and/or processing materials. Similar amendments have been made to the dependent claims 12-17. It is submitted that claims 11-17 are now definite and withdrawal of the rejection is respectfully requested.

In view of the foregoing amendments and arguments presented herein, the Applicants believe that they have properly set forth the invention and accordingly, respectfully request the Examiner reconsider and withdraw the rejections provided in the last Office Action. A formal Notice of Allowance of claims 1-7 and 9-21 is earnestly solicited.

In the event that a fee required for the filing of this document is missing or insufficient, the undersigned Attorney hereby authorizes the Commissioner to charge payment of any fees associated with this communication or to credit any overpayment to Deposit Account No. 18-0987. If a withdrawal is required from Deposit Account No. 18-0987, the undersigned Attorney respectfully requests that the Commissioner of Patents and Trademarks cite Attorney Docket Number **FGF.P0001** for billing purposes.

Should the Examiner deem a telephone call to be beneficial in resolving any remaining matters, or to place the claims in better form for allowance, the same would be greatly appreciated.

Respectfully submitted,

Andrew B. Morton, Reg. No. 37,400
